

A photograph of three people, likely the band members, against a textured, light-colored wall. On the left, a man with dark hair and a goatee, wearing a dark button-down shirt, is gesturing with his right hand. In the center, a woman with long reddish-brown hair and glasses, wearing a green jacket, is looking upwards and smiling. On the right, a man with a shaved head and a goatee, wearing a red and white plaid shirt, is looking to the side with his hand near his chin. The text 'OWLS AND LIONS' is overlaid in the center in a large, white, distressed serif font, with decorative orange flourishes above and below it.

OWLS & LIONS *This is the Vibe!*

FRIENDS FIRST

Owls & Lions is a tight-knit crew of music-loving friends who have transformed their passion into the perfect non-traditional wedding soundtrack. It all started when two artsy souls teamed up and were soon joined by a genius audio engineer and percussion wizard. Together, they're a dynamic squad of multi-instrumental performers dedicated to making your big day an unforgettable, toe-tapping extravaganza.

CRAFTING THE VIBE FOR 10+ YEARS

Established in 2010, **Owls & Lions** has been setting the wedding scene ablaze for over a decade. Their secret sauce? Keepin' it fresh and different with an unparalleled mix of live indie-folk-inspired favorite covers and a rockin' DJ...something they call the "**DJ/Band Hybrid**", guaranteed to engage and surprise guests at every turn, making your party one that will be talked about for years to come!

YOU THROW THE PARTY, We set the Vibe!

Owls & Lions clients are usually music lovers! They want their wedding music to represent their personality; they want an experience rather than a performance, an energy that is palpable and exciting, a feeling, a vibe their guests won't forget.

COMPLETELY DELIVERED

"...**Owls & Lions** completely delivered at our wedding. They even learned a new song for my long walk down the aisle. They are so accommodating and are so fantastic to listen to! Jay, Nicole and Kevin **deliver a divine line of performance.**"

JUST THE BEST!

"...It is no mistake that everyone **loves these guys**, and we enjoyed their work so much, we're trying to come up with another event idea to have them back. We could go on and on, but since so many others have given this team five stars, we'll simply say we can't imagine having found anyone anywhere who would have been a better fit for our day. **Just the best!**"

TALENTED BAND

"...Professional, Amazing, **TALENTED band!!!** We absolutely LOVED **Owls & Lions**. PERFECT FOR INTIMATE EVENTS

"We could not have been happier with our choice for music on our big day. The violin added the perfect touch to the ceremony, and Jay kept the party going all night for the reception. They were so **easy to communicate with**, and followed our every need. We were so impressed how they got everyone up and dancing...I could see **Owls & Lions** being perfect for intimate events, or large crowds. **A steal for a price!** Can't recommend enough!"
